“It is such an honour to have not only so many talented musicians this season, but also a Fazioli piano which will be used in events throughout the summer. The combination of expert playing and craftsmanship creates what can only be described as magic! The magic of a Fazioli piano, an experience made possible by the sponsorship of the Remenyi House of Music Ltd.” – Crystal L. Spicer, Executive Director of Stratford Summer Music

The Fazioli company has been creating grand pianos since 1981. Started by Paolo Fazioli, the company does not use industrial manufacturing processes, and strives for perfection. The renowned Remenyi House of Music Ltd. have been in the piano business for over a century, Angela Hewitt is an esteemed pianist with extensive experience with Fazioli pianos, and was the natural choice to select the piano for their collection.
